2010 Seize The Decade

Middleborough High School has stood as a place of learning and involvement for over 35 years. It's easy to see how old and new come together every time you enter MHS.

This year's TIMARON invites you to look back at past decades through our eyes and lenses. With images capturing the unique character of each decade from the1950s to present, we want you to see how students have always found ways to seize their decade.

A Note from the Principal

Mrs. Katherine Flaherty

It is my hope that your experience at Middleborough High School has developed in each one of you a love of learning as well as an appreciation of all you have to offer. On graduation day, I will tell your friends and loved ones how proud I am of the Class of 2010. You have made significant contributions to our school and community. You have made my job easier through your constant support, enthusiasm and leadership.

Sincerely,
Mrs. Katherine Flaherty
Principal of Middleborough High School

SEMASC
Lock-In

Middleborough High School hosted the 2010 (Southeastern Massachusetts Association of Student Councils) SEMASC Lock-In. Students honed leadership skills and expanded their knowledge of the environment.

Throughout the night and into the morning, students from all over Massachusetts descended on Middleborough High School for an evening of fun, learning and leadership. The school was lavishly decorated as a jungle for the night and each room had it's own theme. Over the course of the Lockin students attended leadership workshops taught by MHS alumni, were motivated by speaker Rhett Laubach, explored a scaled down model of the world, then danced, laughed and sang the night away. When all was said and done, the night was a smashing success.

Tony Dellarocco, David Young, Mike Matthews, Tori Yost, Jon Couto, Andrew Green, Molly Simmons, Heidi, D'Amato, Amanda Doyle, Kelly Converse and Caitlyn Allen really get into jungle mode among the vines and leaves. SEMASC delegates get their groove on at the jungle boogie and below that, Lindsay Pickard, Troy Doyle, Joshua Teri, Mike Milch, Megan Levesque, Michael Sylvester and David Gidley give a warm welcome to the entire SEMASC delegation!

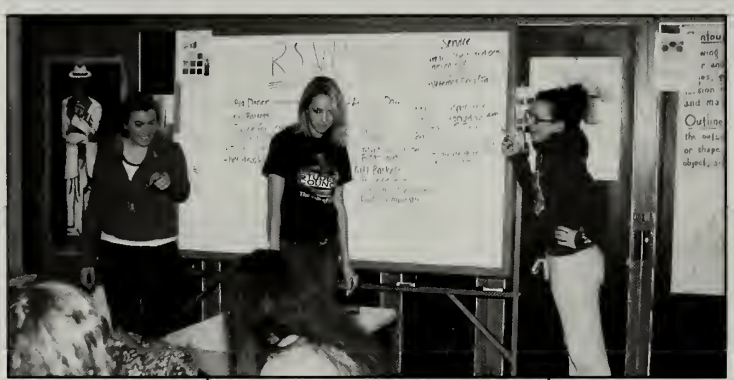
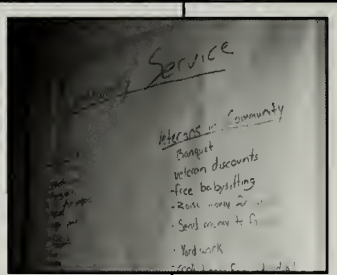
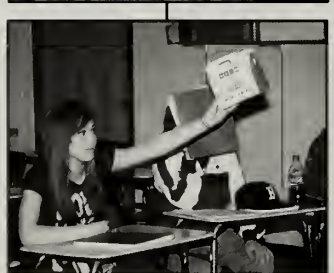
RSVP is a program that was introduced to Massachusetts in 2008. Middleborough High School Senior Mike Lees was selected to become the Massachusetts State RSVP Trainer, working hard to spread this program all across the state. RSVP stands for Raising Student Voice and Participation. This program aims to give every student in the school a voice and allow them to be heard. Three students from Middleborough High School, Zack Botelho, Maddie Newton and Macee Doyle, were trained in this program and have brought it to MHS for the past two years.This year a group of sophomores, Kelsey Szulak, Lizzie Kinch and Jenny Frazier, have also taken on the roles of RSVP Coordinators. This year the MHS student body decided to focus on job security for teachers, creating a school mascot, helping veterans, and global warming as changes they want to be a part of and see in both MHS and the surrounding community.







During early release days, students of MHS participate in the RSVP program. Student Council members are chosen to facilitate rooms chockfull of students eager to make a difference. RSVP meetings include brainstorming sessions. During these sessions students discuss ideas that will change the school, community, and the world.

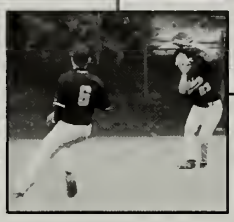
1970s Sports

The Athletic Department at Middleborough High School is extremely active and successful. Throughout three full seasons of sports the students of MHS are able to work hard to become true athletes. Dedicated coaching and hard work from our athletes keeps competing towns in constant fear of the MHS Sachems. From field hockey and soccer, to swimming and baseball, here at MHS, the athletic opportunities are endless.

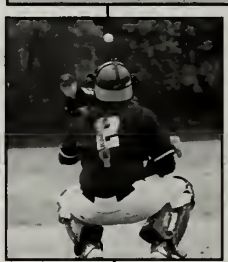
Baseball

The team also had two players selected to the Patriot League All Star Team. Pitcher Evan Anderson and center fielder Tony Miranda represented the school well.

At the plate, the Sachems were a productive team with 207 hits with a team average of 0.314. Juniors Jake Szulak, Mike Van Riper, and Sean Coyle contributed with key hits each finishing the season with a batting average around 0.300.

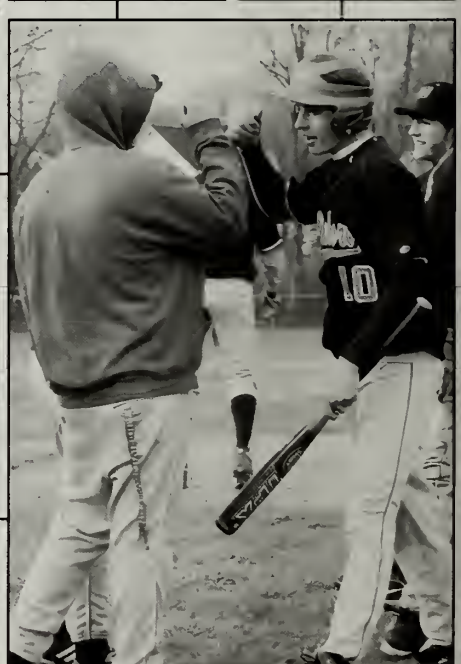


On the mound, senior Evan Anderson dominated his opponents with a record of 8-2, striking out 98 batters with an era of 1.33.

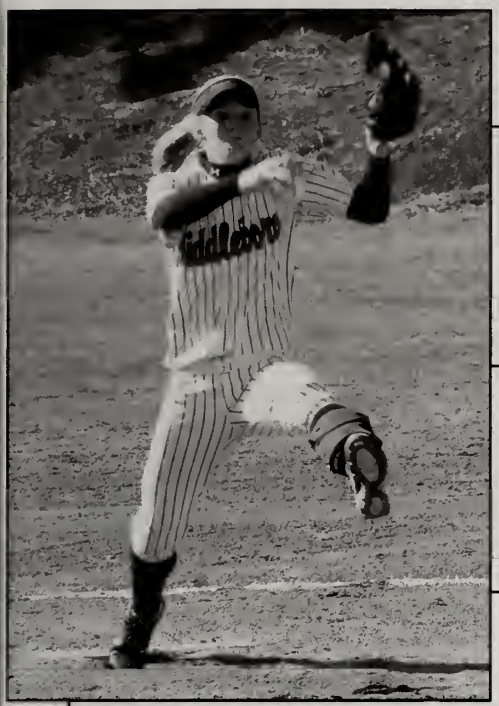


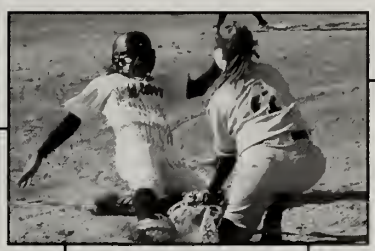
Captains Evan Anderson and Tony Miranda led the Sachems to another birth in the Massachusetts State Tournament, losing against Foxboro in the Division II South Semi-Final game. The team finished with a league record of thirteen wins and seven losses. The overall record was sixteen wins and eight losses.

Mike VanRiper swings at the ball. Corey Bailey catches the ball and gets the opponent out. And, Jake Eldredge is congratulated as he walks back to the bench after a great play.



Softball





The team had incredible defense led by team captains shortstop Emma Harnett and catcher Lauren Tierney. Along with Amanda Dittrich, the seniors leave a void that will be a challenge to fill. The team contributed to a reputation of being tough and had opponents scared as the team scored 190 runs and gave up only 32!

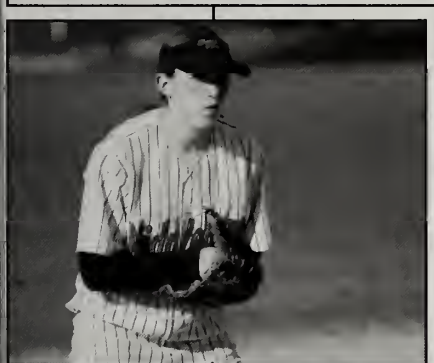
Duxbury 10-0	Rockland 15-0
Hanover 5-0	Pembroke 10-0
Carver 10-1	North Quincy 2-0
Scituate 8-1	Wareham 10-3

Tori Yost led the team with a .480 batting average. Just behind her, Caitlyn Allen and Megan Andrade both hit over .400. Pitcher Becky Manning is already well known a dominant hurler. Emma Kenney led the team in runs scored. Marissa Linehan and Courtney Kozloski just may have been the best freshman players in the league.

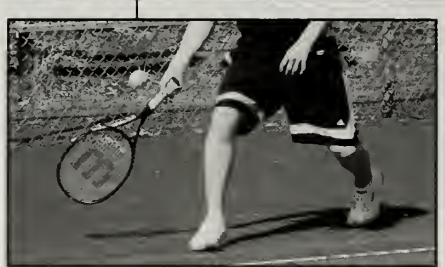


For the second year in a row the Sachem Softball team was Patriot League Champions! With a league record of 14 - 2 and an overall record of 18 - 3, it was an amazing season. Lindsey Perkins and Amber White provided spirit, leadership and talent to contribute to the team's success. Amber White established herself as one of the most dominant pitchers in the state with a 14 - 3 record , 0.76 earned run average and an amazing 127 strikeouts. Amber was also a powerful batter with two homeruns and six other extra base hits.

Boys Tennis

Co-Captoins Scott Chomberloin ond Tyler Schofield show off their great serves.

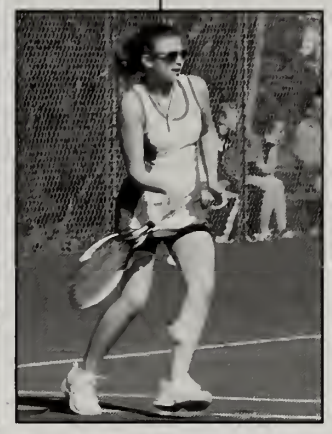
The 7-13 record does not accurately reflect how well the 2009 Boys Tennis Team performed this season. After losing five starters from the seven-player varsity lineup in 2008, the 2009 squad had a mix of veteran leaders and enthusiastic rookies.



The team was led by senior co-captains Tyler Schofield and Scott Chamberlain. Apart from the over all record, the far more impressive non-league record was 4 - 0 and the Patriot League record was 3 - 13. The athletes are very much looking forward to the 2010 season and are ready to improve.

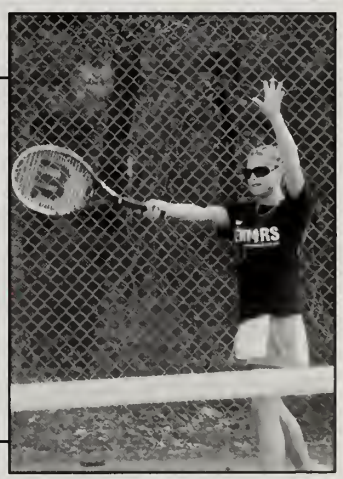
The teom gothers together for o quick picture: Joseph Berger, Tyler Schofield, Justin Kelly, Kevin Kundzicz, Brodley Kefolis, Zachary Trocki, Ton Ngo, Scott Chomberloin, Patrick Converse, Cooch Pelletier, Kevin Lynch, Jon Couto, Nicholos Kinsmon, Joseph Bebermon, Ross Compbell, ond Cody Goldmon. Losing Scott Chomberloin and Tyler Schofield gives new opportunities to the younger ployers to step up and show their gome.

Girls Tennis



Co-Captain Lauren Endicott reaches for a nice backhand hit. Hannah Bialic steps forward to the ball. And, Lauren Simao swings her racket!

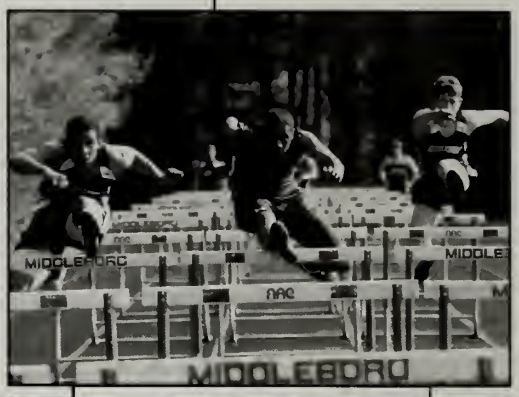
This 2009 Girls Tennis Team had their best season since 1980. Led by captains Lauren Endicott and Shannon Lazarovich, the girls finished the regular season with a record of 12 - 8, which earned them a berth in the Division 3 South Sectional Tournament. Key contributors to the success of the team were senior Lyndsie Brouns, juniors Lauren Endicott, McKayla Craig, Kacy Bozoian, Shannon Lazarovich, Laura McGonigle, sophomore Lauren Simao, and freshman Hannah Bialic.



Senior Lyndsie Brouns gets in ready position.

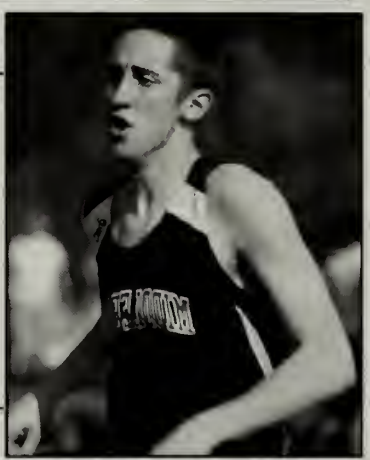
Track & Field

Sachems Dillon Simmons, Zach Maddigan, Chris Rousseau, Cameron Frazier and Sean Spillane hold down the first five places of the two mile. Sukeforth snatched second in the 800 at the League Meet and third at the Elite Meet (1:59.9).



The 110 hurdle event is one of the fastest of all the races. Senior Vince Henry makes clearing the high hurdle look easy.

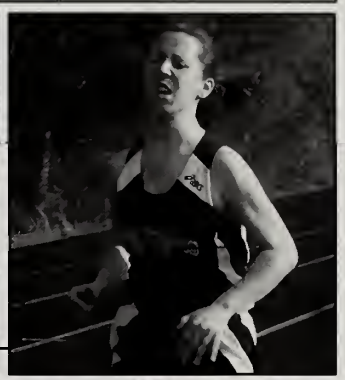
With expert form, James Muirhead thrusts the shot put. He was undefeated in the regular season in the shotput and championed at the League Meet, setting a new school record (53'2$^{1/2}$). Muirhead left with only two losses all season in discus. Maddigan won first at the League Meet with a time of 4:38.8.



Boys

The 2009 Boys Spring Track season recorded the best dual meet record since the spring season of 1982. We have come a long way in the past four years. We have won the Fisher Division title for the second consecutive year, and finished third in one of the more competitve leagues in the state. Some of the individual achievements of this season include: the 4x800 meter relay with a new school record 8:18, and the 4x100 meter relay with a new school record 45.02.

During the spring, the girls team fought for a few wins, and ended with a 4-6 record. There were many stand-out performances this season. Courtney Simao, Elissa May, and Mary Farley worked together as captains to encourage and push the team to do their best. Setting a great example was Farley, as she was the highest point scorer. The Javelin record twas reset this season at 111'10" by Farley.



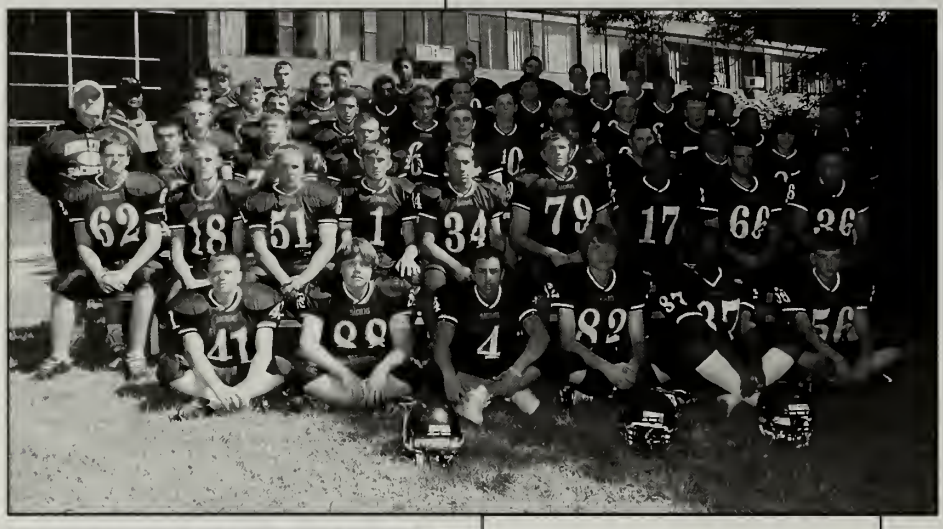
May in first, with Jessop, K. Perry, Glendye, and Connor close behind. J. Perry whips the discus through the air.

Allison Muirhead was nominated as an All-Star for her track excellence. Muirhead succeeded in shot put (36'101/4"), winning first in the league. The first place throw advanced Muirhead to the Division Meet, where she placed third in shot put and discus. At the League Meet, the first place 400 hurdle winner was Rebecca Gaudet.

Girls

Football

The team huddles tagether after a great win to cangratulate one anather. They always suppart each ather, even thraugh the taughest times af the seasan. Wins were cherished maments that will be farever remember. Cody Carvalha, Carlton Dyer, Dylan Gabriel and Brian Wiksten shaw aff their muscles.

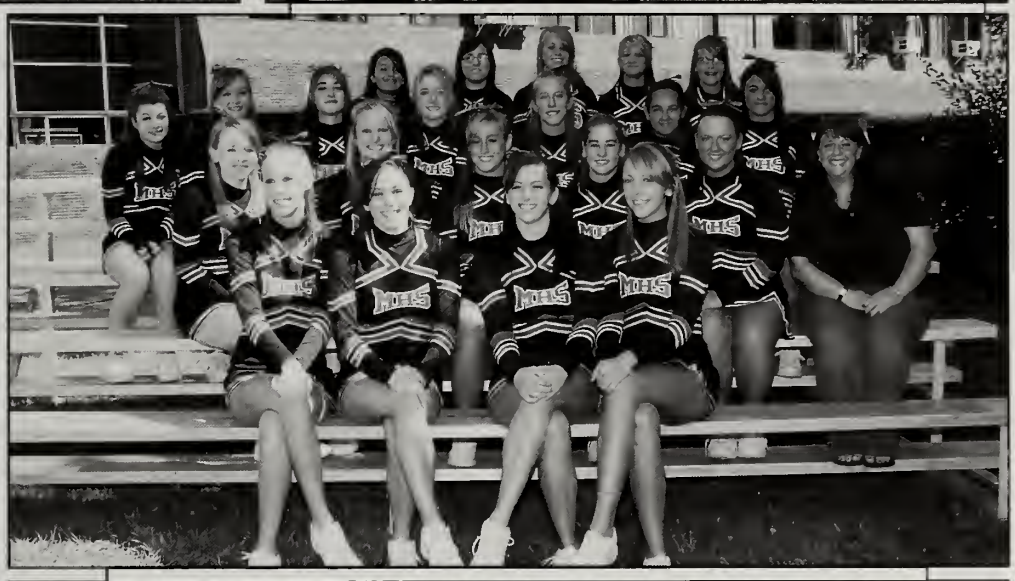


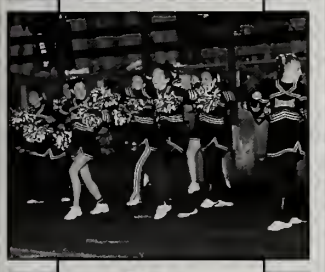
The entire MHS Faatball Team laaks afficial pasing for the camera.

The Middleborough High School Football team finished 2-9 this season. In the Patriot League Fisher Division, the Sachem boys ended with a 2-3 record and placed third. With hard-earned experience, seniors Cody Carvalho and Dylan Gabriel garnered league All-Star Honors, as did junior, Brian Wiksten. Along with being named league All-Stars, Cody and Dylan were also Taunton Gazette All-Scholastic players for their true football dedication and talent. A.J. Bisnaw and Patrick Donahue also provided senior leadership to a very young Sachem team. As a whole, the team really showed a sense of unity this year and in return, ended up improving immensely from previous years. The MHS Football team had an overall great season.

Number 34 halds his arm aut ta black the ancaming defender and pratect the faatball hidden under his arm. The MHS Faatball Team's quarterback, Brian Wiksten looks far an apening and runs the ball up the field. Ta the right of him, number 82 fights aff an appanent grabbing his foat and starts to break away taward the field gaal.

Cheerleading





With the help of captains; Rachel Trosky, Delaney Robinson and Savannah Cummings, the squad was able to improve upon many of their skills. Through the hard work, they earned a qualification to Regionals. They also performed at all of the Varsity Football games. The squad was also present at all school pep rallies.half-time was always a highlight and many in the crowd repeated their cheer along with them. The season was very successful and we look forward to continuing on this tradition.

Julie Converse, Delaney Robinson, Savannah Cummings and Katelyn Bonino perform stunts.

MHS cheerleaders Lizzie Kinch and Julie Converse get thrown up for a toss.

Volleyball

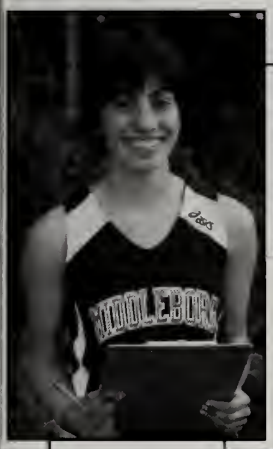
Seniors, Taylor Duarte and Alicia Salay, also added fine play this season. With experience, they led the younger girls. Underclassmen: Megan Andrade, Mallory Craig, and Cassie Leech all contributed greatly to the team.

Sachem Volleyball, the other "Big Dig", had another successful season finishing 13-8 overall. Once again the girls qualified for the MIAA state tournament and dropped a tough 5 game match to Hanover in the first round. Captains Lauren Endicott and Allie Muirhead led the team with tough front row play and powerful serving. Lauren and McKayla Craig were named to the Patriot League All-Stars as well as the Taunton Gazette All-Scholastic first team. Lauren "Utah" Endicott was also named to the Brockton Enterprise All-Scholastic first team.

Next season looks promising with some tall front row hitters returning along with some seasoned setters and back row players. The seniors will be missed out on the court in the upcoming year.

Cross Country

Sophomore, Amber Bryant, focuses on keeping her form, staying loose, and racing to the finish line. Zach Maddigan, Cam Frazier, and Andrew Sukeforth lead the pack of Sachems through the cross country course with Vikings nipping at their heels.



Girls Captain, Ani Varjabedian

Congratulations are due to the men and women of the MHS Cross Country Team. Coach Kinney is very proud to announce this the most successful season since he took over the team in 2005. The teams have grown in number and in talent. He is very proud of everyone on the team. The boys team saw nine victories this season (defeating Randolph, Carver, Scituate, Quincy/North Quincy, Hanover, East Bridgewater, Silver Lake, Hingham, and Rockland) while the girls team defeated four teams (Carver, Hanover, Silver Lake, and Randolph). In season such as this it is hard to single out any particular performances or athletes. We have all enjoyed so much success and improvement.

Boys Soccer

"It was a great bunch of kids that graced the soccer team this year," said Coach Braga. The boys had talent and enjoyed the game of soccer.

This year's freshmen and sophomores will be led by next years' seniors Zachary MacAulay, Christopher Benson, and David Wise.

We will truly miss the seniors leaving us this year: Felipe Caballero-Wrights, Mike Van Riper, Timothy Murphy, Dillon Cleary, Gregory Dudek, Corey Bailey, Jonathan Garanito, (Captain) David Card, (Captain) Sean Spillane, (Captain) Mike Lees, and (Captain) Jon Wylie. David Card led the defense for four years. Sean Spillane was a formidable scorer and a key play-maker from the center field position. Mike Lees played the goalie position all four years, stopping more goals than anyone else in the league. Jon Wylie was versatile and played wherever he was needed. Jon was a Patriot league All-Star and scored two goals in the All-Star match. We look forward to 2010 because of a large group of young players taking over for the exiting seniors.

Girls Soccer

Melanie Thompson sprints her hardest to beat her offenders. Goalie and junior, Emma Kenney patiently waits by the net.

Our awesome seniors Kristen Brown, Lindsay Johnson, Courtney Libby and Mel Thompson will be missed - we just won't be the same without them! The team played with dedication and passion. The season consisted of Survivor Games of August, travel from Wareham to Quincy, through simmering late summer days and rain and icy cold winds of autumn. They never gave anything but their best!

Senior Courtney Libby takes control of the ball. Jenny Frazier, sophomore, boots the ball down the field. Kristen Brown plays shoulder-to-shoulder with the Scituate Sailor. Sophomore Lauren Wrigley scores on the Randolph team.

The 2009 girls soccer season was challenging and fun. Our final record was 3-14-1 but the season was filled with many small victories. We had some huge victories and exciting one goal losses against tough league opponents. The girls team put up a fight this year, playing their absolute hardest. Keeper Emma Kenney topped the girls school record for most saves in a single game. Patriot League All Stars Lauren Simao and Melanie Thompson led the team in scoring with eleven and ten points respectively.

Field Hockey

Freshmon Tracy Perry prepares to shoot. And co-coptoin Kendro Perry attacks the ball and foces an opponent.

This year's field hockey team was very young and inexperienced. Led by Junior co-captains Bridget Lynch and Kendra Perry, the team showed remarkable resilience against much stronger opponents. The team is working hard during the off season in hopes of being much more competitive during the 2010 season.

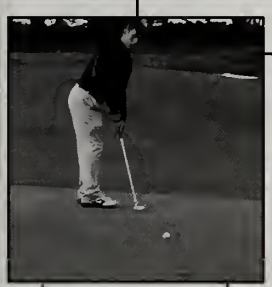
The team arranges itself to defend the gool from the incoming side shots.

The team huddles closer together to discuss gome strotegy with Cooch Freitas.

Golf

Andrew Green tries to calculate where and how hard to swing. Josh Moquin converses with his competition on their walk to the next hole. With a younger team, the future looks bright for the next year.

The 2009 Sachem's Golf Team experienced a rebuilding year. With most of the team graduating and a new coach taking charge, the team knew it would be an uphill battle. Keeping the team together were senior co-captains Kevin Hughes and Andrew Green. The leading scorers on the team were sophomore Lucas Szulak 43 average, junior Josh Moquin 45 average, and co-captain Kevin Hughes with a 46 average. Although the team only won one match this season, the team played well down the stretch. The team can only go up from here!



Andrew Green swings to hammer the ball across the course. Josh Moquin lines up his club to the ball. Brenden Bennett plans his next hit. Coach Oliver Jonathan Couto keeps his eye on the prize while making a nice, long putt.

Swimming

Captains of the team were Dillon Cleary, Kendra Perry, Zachary Trocki, and Ruthie White. The swim team would like to thank four-year swimmers and seniors Dillon Cleary, Andrew Green, Lindsay Johnson, and Sarah King for all of their hard work and commitment to the team. Losing these dedicated swimmers will be difficult for the Sachems.

The 2009-2010 season was very successful for both the boys and girls swim teams. The boys had a lot of new swimmers and the girls struggled with numbers, having only eleven swimmers. This year's expectations were low coming into the season. However, every member of the team worked hard throughout the season and their dedication turned it into a winning one. The boys finished with a 10 - 3 record and were one of the top teams in the Patriot League. Meanwhile the girls were able to finish above .500, with a 7 - 6 record, and surprised many other teams in the Patriot League. The team also had quite a few swimmers qualify for sectionals and states in quite a few events.

Ice Hockey

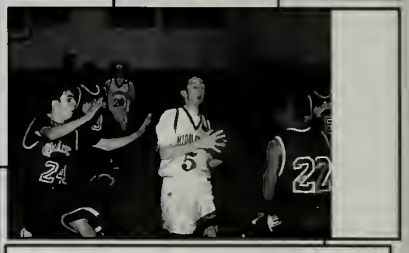
The team had great contributions from its seniors, forwards (Captain) Dave Young and Kevin Kundzicz, and defensemen Chris Donnelly and Ed Gill.

The high school hockey games are always filled with intensity and talent.

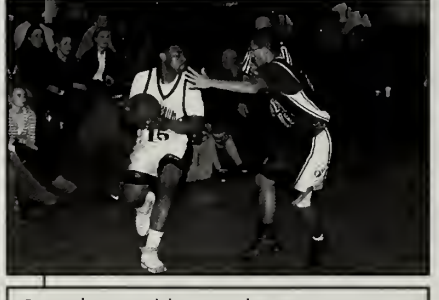
Starting the year off 0 – 5, the players hard work, determination, competitive spirit and team work started to pay off with a stretch off four wins in six games. The season record of 5-14-1 was an improvement from the years past. Division III Middleborough highlights included a win over state tournament bound Rockland 4 -2 and with a win and tie against Division 1 Taunton. Leading the way offensively was the junior class. The highest scorers were forward (Assistant Captain) Zac MacAuley, forward Dan Cashman, defensemen Cody Langway, forward Tony Colletti and (Assistant Captain) forward Josh Moquin.

The Middleborough High School Varsity Ice Hockey Team played an independent schedule and enjoyed a successful, rewarding season. The team showed great improvement throughout the season under first year Head Coach Scott Drevitch.

Boys' Basketball



Zach Maddigan goes for a lay-up.

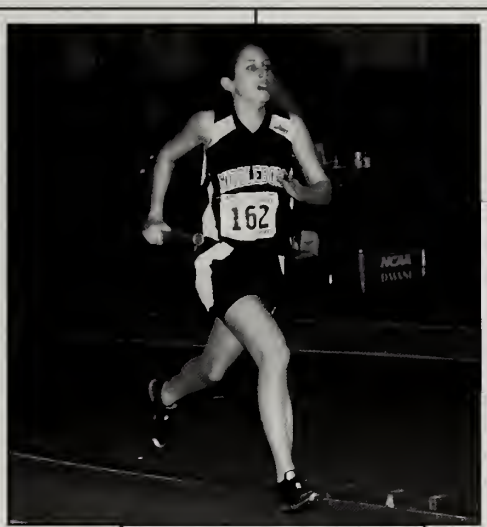


Coach Dizel brings his Boys Basketball team in for a quick huddle to discuss their plan of action on the court. Captains Zach Maddigan and Jake Szulak go up for a jump ball. Sophomore Dan Jackson dodges an opponent to make a smooth pass.

The 2009 - 2010 Boys Basketball team, led by senior tri-captains Zach Maddigan, DJ Shelters, and Jake Szulak fought through a daunting Patriot League schedule. A great group of competitive seniors such as Corey Bailey, Greg Dudek, Earle Miller, and Jon Wylie represented themselves and their school well with a determined work ethic that earned them respect wherever they played. Underclassmen AJ Nunes, Dan Jackson, Luke Szulak and Andrew Card benefited greatly from the example set by the seniors this season.

Indoor Track & Field
Boys & Girls

After losing many seniors last year, the boys team knew this was the year to prove their personal excellence and step it up. The trio of captains, Andrew Sukeforth, Jonathan Garanito, and David Santos, forged ahead with their team following suit. Sukeforth had an excellent season, shattering the 600M (1:25.5), 1000M (2:32.4) one mile (4:33.80), and two mile (10:18.20) school records. He placed first at the League Meet and Division III Meet, and qualified for the State Meet. Theodore Paquin also had an excellent season, jumping beyond the school record with an 18'9". Along with the school record, Paquin scored the most points and the title of an All Star. He, along with Sukeforth, Santos, and Sean Leary broke the 4x400 relay time with a 3:40.30. The boys team had a difficult, but strong season.



The Sachem Girls had a strong season finishing with a 4-1 record and second place in the Fisher Division. The captains were Courtney Libby and Ani Varjabedian. Libby raked in the most points for the team while competing in the 55 dash, 4x200 relay, high and long jump. Varjabedian broke the school one and two mile record, with 6:04.60 and 13:14.90. With a time of 10:52.36, the 4x800 (Varjabedian, Simao, Amber Bryant, Ashley Glendye), relay team grabbed the school record. The team had one more school record breaking, with All-Star, Lauren Simao in the 1000M with 3:10.38. She also placed first at the League Meet and sixth at the Division III Meet. Jillian Perry, was the only other girl who qualified for the Division III Meet.

Wrestling

Kyle Carney (160) had a tough season, earning a single top four finish at the Oliver Ames Tournament. Sophomore James Murphy had some big shoes to fill wrestling at heavyweight. He finished the season 4 - 11, facing many skilled and aggressive athletes along the way.

Freshman Kyle Ohrenberger was named "Rookie of the Year" after a season filling the very aggressive 171-pound weight class. Ohrenberger posted a final season record of 10 - 23, facing some of the strongest wrestlers in the state each week in the Patriot League. Sophomore Alex Schuberth (152) joined the squad in the closing weeks of the season, picking up a couple otf wins as he learned his way around the mat.

The wrestling team suffered through a short-handed season with a final team record of 0 - 15. Finishing the season filling only 5 of the 14 weight classes, the Sachems were doomed at the outset of each match. Even so, Junior Captain Kyle Carney (160) and the Sachems trained and competed each week, often joining local powerhouse Bridgewater-Raynham for practices. Sophomore Ethan Norton (135) had four tournament finishes throughout the season, finishing with a record of 17 - 16. His final performance landed him in sixth place at the Division 3 South tournament in early February. He missed competing at the state tournament by a single loss, taking the team award for "Most Improved."

Girls Basketball

Seniors McKayla Craig, Lauren Endicott, and Danya Gomes led the Varsity Girls Basketball team during the 2009-10 season. The team finished 0 - 20 in the Fisher Division of the Patriot League. Junior Emma Kenney led the Sachems in scoring this season netting 211 points an average 11.1 per game. Emma was selected as the team MVP, Sophomore Cassie Leech was voted the Rookie of the Year, Junior Emily Condry was the Most Improved and Sophomore Jenny Frazier received the Coaches Award. McKayla Craig was selected as the Dave Cowens nominee and Emma Kenney was voted to the Patriot League All-Star Team.

In Memory of

Peter Sgro

In February of this year, the TIMARON as well as the community lost a great friend. Over the years, Peter Sgro has submitted thousands of beautiful pictures to our yearbook. He was a welcome and familiar face at sporting events, pep rallies, plays, and everything else. The TIMARON wishes to thank him and his wife for their dedication and the wonderful images that will be appreciated for years to come. Rest in peace Peter.

Peter masterfully captures the candid moments of a couple's wedding. The 2007 and 2008 yearbook covers which feature photos taken by Peter.

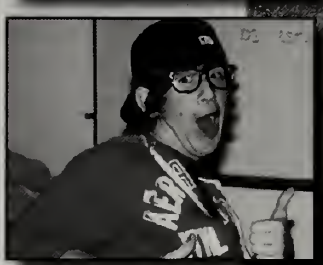
1980s Underclassmen



Filled with enthusiasm and excitement, underclassmen join new clubs, sports and activities. These first three years of high school help them find who they are and become comfortable in their own skin. By trying new things and meeting new people, they create memories that will stay with them forever, and friends that last a lifetime.

The Photoshoot was a great success and loads of fun for all who came. The yearbook editors would like to thank the students who came, Mrs. Duggan for the fun costumes, Mrs. Donnelly and Mr. & Mrs. Machnik for their amazing cars, and Mr. Healey for the great help.

1990s Senior Write-Ups

Senior Write-Ups give graduating seniors a chance to reflect upon their time spent at Middleborough High School. Here they express their thoughts and recall all the memories from past years. From their likes to their dislikes, seniors speak out and leave a little piece of themselves behind to be remembered by. As graduation approaches, students come to realize how much they will miss all the good times and friends that they have made. Just as we will always remember the moments of our childhood, the television shows and the music, these memories of high school will never leave us.

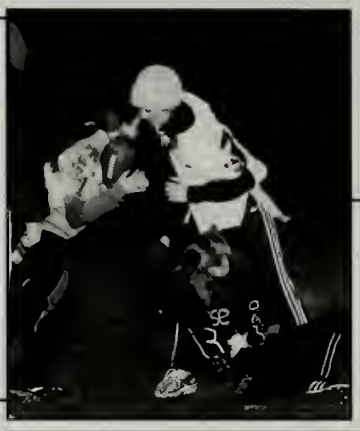
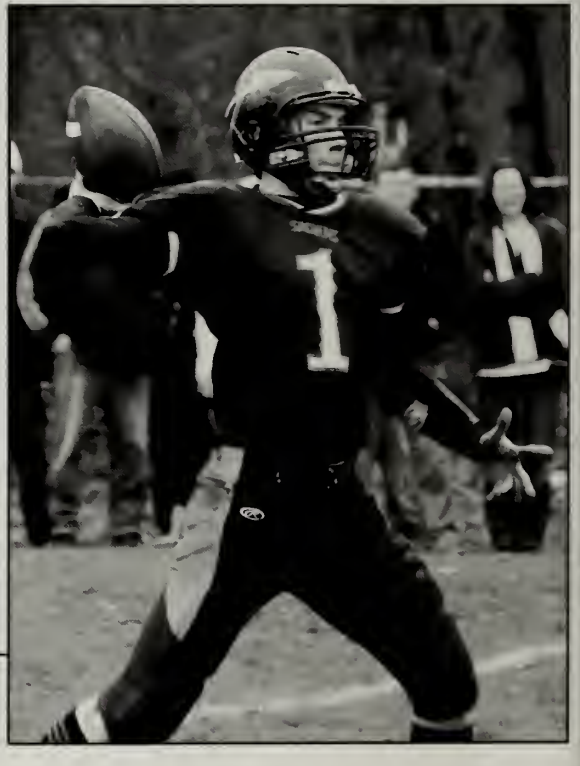
Powder Puff



Girls playing football, boys cheerleading, what has the world come to? Powder Puff is time when girls get to act like guys and for the guys to act like girls. The Senior and Junior girls play a feisty game of football while the guys cheer them on. Students of Middleborough High School find themselves having a great time, either in the stands or on the field.

Game Time

Every year, on Thanksgiving Day, Middleborough faces Carver in a very exciting game of football. The days leading up to the big game are always full of anticipation. What will happen? Who will win? Students come out to watch and cheer on their friends, and of course to see a good game.



As the Secret Sachem remains unknown, students from all four grades gather in the gym. Once inside, they take part in numerous games and performances. The cheerleaders, majorettes, dance team, band, mathletes and football players all play a huge part in the pep rally. Thanks to the Student Council, every year we are able to have such a great time getting the football players ready for the big game. This year we had everything from a Rubik's Cube contest to messy Family Feud games.

Class of 2010 Advisors

Mrs. Tucker

What a privilege it has been to be your advisor over the last four years! We have had many challenges over that time, but together as a group we worked through it. It has been wonderful to watch you grow and challenge yourselves in order to work together even though you are all individuals with strong opinions! Thank you for all the great memories you have given me such as waffle ball in the rain, spring egg hunt, the car wash and the junior prom. Going to Fenway Park paved the way for classes to come, what a great time! Your energy, exuberance and hard work has been motivating for me to observe during your time at Middleborough High School. I know that you will all go on and do amazing things no matter what you pursue. Remember never be afraid to take the road less traveled in order to achieve your goal. I hope that you will keep in touch and let Mrs. Morrissey and myself know how you are doing. Thank you for giving me the opportunity to work with such an outstanding group of individuals and good luck in your next adventure!

Mrs. Morrissey

I have thoroughly enjoyed being one of your class advisors for the last two years. My only regret is that I was not given the opportunity when you were freshmen so that I could have seen the tremendous growth that you have exhibited in the last four years first hand. I will always remember Homecoming, Junior Prom, the car wash, and Fenway Park to name just a few. You are an awesome group of young adults. You have proven yourselves during your four years at Middleborough High School. I look forward to hearing great things about all of you as you make your way to college, jobs, and beyond! Thank you for letting me be a part of your lives here at Middleborough High School. I wish for you success and happiness in your next endeavor.

We've seen what has come before us, and now it's time to look ahead. As we enter the new decade, each one of us will find ourselves breaking away from the past, leaving behind the good and the bad, and finally moving forward. We may discover that we are no longer the same as we were freshman year.

Senior Mystery Ride

...To Fenway Park

Big city, Fenway franks, close friends, and a good time! The senior class was picked up by two buses and shipped off to Bean Town for quite an eventful evening. They started the night off with dinner in the State Street Pavilion restaraunt of Fenway, consisting of franks and burgers. Then it was off to the batting cage to take some practice swings. We had some big hitters that night, including our very own principal, Mrs. Flaherty. Once practice was over, it was time for a short tour through the EMC wing and the press box, where we got the inside scoop of our favorite Boston team. Althought the ride home proved to be quite an event in itself, we still managed to make it home by eleven.

When night fell on May 16th, 2009, a *Midnight in Paris* had already begun. To start the evening, each couple walked the Grand March and made their way up the steps. At the top of the stairway, the juniors entered into a city under the stars. Andrew Green and Rachel Gunning were then crowned King and Queen and the evening was completed with a dance to *My Heart Will Go On*.

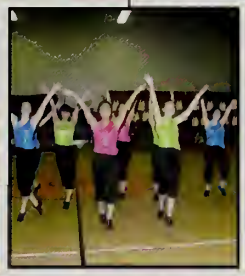
Special Olympics Pep Rally

Each year, the MHS Student Council invites all of the Special Olympians in Middleborough to get pumped up for their participation in the Special Olympics. Balloons and certificates are given to each olympian and they each share a few words with the crowd. Performances by the MHS Cheerleaders, Dance Team, Band, Twirlers, and Concert Choir inspire the olympians to do their best as the entire student body and faculty of MHS cheer the Olympians on.



Kids of all ages came decked out in their Halloween costumes while parents enjoyed munching on delicious treats, crafting, playing games, and listening to spooky music with their children. Students of MHS help to facilitate this wicked cool event.

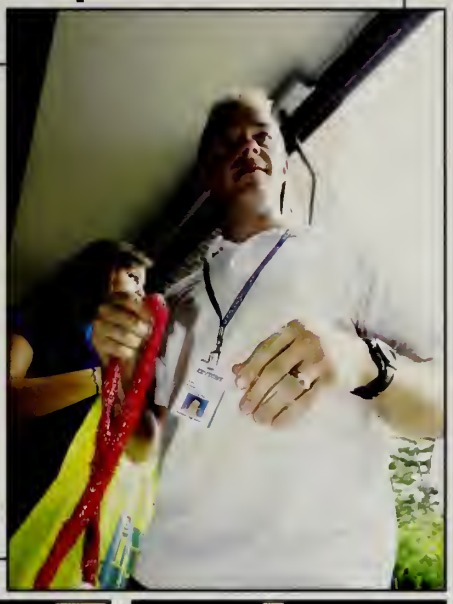
Welcome Back Barbeque



As the students of MHS got back into the swing of things during the first week of school, the Student Council held a Welcome Back Barbeque dedicated to Christopher John Brooks. Delicious food was served by the cafeteria staff and orange ribbons were given out to student s and members of the faculty. Banners and books, which were later given to Chris's family, were available for everyone to sign.

MONDAY - $2:00 cheese pizza all day

TUESDAY & WEDNESDAY
Half price for single and combination topping pizza

*W*alking into the Central Cafe is like taking a step back in time - except that most customers will recognize more than a few familiar faces. The Central is Middleboro's version of the place "where everybody knows your name."

The Central Cafe is the oldest cafe in Middleboro. The first customers to walk through the door did so in 1923. The comfortable booths wear the patina of age. The handsome mahogany bar with chestnut rail was purchased by the former owner Angelo Doscoulias's father in Boston for his son's new Middleboro establishment over 70 years ago.

The exterior of the cafe was remodeled in 1997 to create an Irish pub-style entrance that hints at the informal atmosphere of a neighborhood bar from another era. Sometimes the prices seem reminiscent of another time as well. The Central's famous cheese pizza - a long time staple of post-event celebrations for local little league team members and spectators alike. The price, just $2 all day on Monday for eat-in customers. On Tuesday and Wednesday pizza is half price for single and combination toppings.

The Central boasts the best draft beer selection in town for those who don't take the term "pizza and beer" lightly.

Bill Fuller and Mark Hannon proudly welcome you to the Central Cafe. We strive to provide excellent service, top quality food and an enjoyable atmosphere. In keeping with the tradition of our "hometown" cafe.

Thank you for your support. We look forward to seeing you.

1ST 100 DAYS

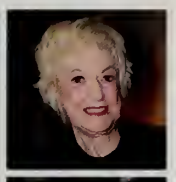
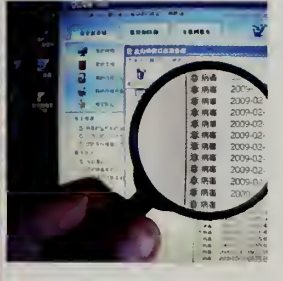
ONCE INAUGURATED, President Barack Obama got down to business, signing executive orders banning harsh interrogation techniques of suspected terrorists on his second day in office. The ban was Obama's first step toward closing the prisons at Guantanamo Bay. **ONE WEEK LATER**, the president signed a labor act guaranteeing equal pay for all workers. Regarding the act, Obama explained that he saw the inequality as a family issue, not just a women's issue. **ATTENTION TO THE ECONOMY** brought the $787 billion economic stimulus package in the form of February's American Recovery and Reinvestment Act, controversial legislation which the administration claimed sparked growth as early as the third quarter. **A TOTAL TROOP WITHDRAWAL** from Iraq by the end of 2011 was announced on February 27, and just a month later Obama announced a renewed commitment to Afghanistan and plans to send an additional 21,000 new troops there. **LONDON'S G-20 SUMMIT** allowed leaders from nations worldwide, as well as regional groups and international institutions, to strategize ways to revive the global economy and stimulate growth.

SOMALI PIRATES hijacked an American ship in the Indian Ocean off the Horn of Africa and took Captain Richard Phillips hostage in April. The ship, the Maersk Alabama, was carrying food and other aid supplies for the World Food Program. The five-day ordeal ended when U.S. Navy SEAL snipers killed three pirates, freeing Phillips. **BEA ARTHUR**, two-time Emmy award winner, died of cancer at 86. Probably best known for her *Golden Girls* character Dorothy Zbornak, Arthur began her acting career on Broadway, winning a Tony in the original stage production of *Mame*. **A 50 TO 1 LONGSHOT** won the 135th Kentucky Derby. Jockey Calvin Borel and Mine That Bird came from behind on a muddy track to win the race by nearly seven lengths. **VOCALIST SUSAN BOYLE** became an overnight sensation on *Britain's Got Talent*. Her performance quickly became one of the most watched videos on YouTube. Despite a second-place finish in the competition, Boyle's first album, *I Dreamed a Dream*, became the biggest-selling album in the world for 2009 in just six weeks. **NORTH CAROLINA'S TARHEELS** beat Michigan State 89-72 in the men's Final Four, avenging a title game loss to Kansas the previous season. With the help of upperclassmen Tyler Hansbrough, Wayne Ellington, Ty Lawson and Danny Green, all of whom opted to return for another year with coach Roy Williams rather than heading to the NBA, the Tarheels cruised to their fifth national title and their second in five years. A unanimous pre-season No. 1, the team was UNC's first since 1982 to start and finish the year in the nation's top spot. **CONFICKER WORM**, a computer virus that targeted the Microsoft Windows operating system, was estimated to have infected more than 15 million computers. It was believed to be the worst computer virus since the SQL slammer worm in 2003. In February 2009, Microsoft offered a $250,000 reward for help with finding and arresting the people who created the computer worm.

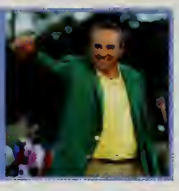




31 Nearly 40 unemployed New Yorkers took part in the Unemployment Olympics, a day of fun and games in Manhattan's East Village planned by a recently laid-off computer software worker.

7 The Connecticut women's basketball team won its sixth national title, defeating Louisville 76-54 in a St. Louis Final Four tagged "March to the Arch."

12 Argentinian golfer Angel Cabrera won the Masters at 12 under par after a three-way playoff against Americans Chad Campbell and Kenny Perry.



23 Apple's iTunes App Store knew in advance that some lucky buyer would download the company's one billionth app on this date and they offered prizes galore.

Until the vaccine arrived, anyone with H1N1's potential respiratory symptoms was encouraged to stay home rather than infecting classmates or co-workers. **IN OCTOBER**, the vaccine began arriving in both injected and nasal spray forms. The new iceberg weighed in at roughly 700 billion tons and, at 48 x 24 miles, contained the equivalent of one fifth of the world's annual total water usage. The two icebergs drifted together off the east coast of Antarctica. **U.S. BOBSLED GOLD** ended a 62-year Olympic drought for America when two-time World Champion Night Train pilot Steve Holcomb with crew Justin Olsen and Steve Mesler and brakeman Curtis Tomasevicz dominated action in Whistler. The win meant Germany's Andre Lange, who took gold in the two-man race, failed in his attempt to capture five Olympic golds in as many attempts. **AN 8.8 EARTHQUAKE IN CHILE** on February 27 toppled buildings, left more than 300 dead and caused tsunami evacuations as far away as Hawaii and Japan. While the quake was significantly more powerful than the Haitian temblor that caused massive devastation in January, the damage was minimized by its relatively deep epicenter and strict Chilean building codes that followed massive damage caused by a huge quake in 1960.
